Financial Highlights

Enriching Lives

The business of the company returned to normalcy after lifting of the nationwide lockdown in stages on account of Covid-19 and the company is experiencing good demand for its products from the customers

The Company started reaping the benefit from commissioning of Coke Oven Plant and Power Plant. Both the plants were operational for the full quarter and Coke oven is operating at almost 100% capacity

Further the Input materials were strategically sourced which has benefited the company

On account of capitalization of both the projects the Term Loan Interest and Depreciation has increased
