Financial Highlights

Macro Environment

- Overall demand for castings continues to be strong
 - Demand for the tractor industry is muted, however, the auto and off-highway segments' demand for castings stays strong
- Coking coal prices substantially corrected over the last few weeks thereby lowering the pressure on input costs

Business Operations

- Second Coke oven plant at Koppal commenced operations on 6th February 2023
- Re-lining of Hiryur blast furnace completed. Blast furnace operations being commenced
- 20 MW recovery power plant attached to the second phase of coke oven commissioned from 29th March 2023. The power generated by recovering waste heat will be used for captive consumption aimed at reduction in power cost
- The second foundry line at Solapur completed and commercial production commenced on 20th March 2023
- Customer interest in new products continues to be strong, we continue to develop new products for our valued customers

KFIL & ISMT Merger
